TO WHOM IT MAY CONCERN:

"ACCURATE STRIPING" striped the majority of parking lots at Ball State University during the summer of 1998. This was a large job. We have some very large lots and some very small. They did an EXCELLENT job. We found them to be very honest, trustworthy, and reasonable in their pricing. Their employees were very helpful, polite, and had a great deal of pride in their work.

This year all the lots still look great. It is our intention to use "Accurate Striping" for our future needs.

Sincerely,

Sandra K. Pyle, Cpl.

Mr. Hobbs,

I am writing to you concerning the basketball court in Durkirk. My name is Ginger Geist, I work for E & B Paving & I am Zack Hummer's grandmother. The basketball court was dedicated in his memory. The youth of Durkirk will get immeasurable hours of enjoyment from that court. Your company did a wonderful job.

The tournament was a huge success & all the money raised goes toward scholarships, youth & community programs.

My family is truly grateful for your act of kindness. Thank you so very much.

With Gratitude,
Ginger Geist & Family

Tony Swift - A-1 Paving & Construction

To whom it may concern
I have owned A-1 Paving for
2 years, a business my father
started 20 years ago.

If you want fast, professional
service, with no worry of
customer complaints, then my
recommendation is to call Accurate
Striping Inc. David Hobbs is the
great one when it comes to design
lay out, and customer interest
at heart. I personally would
give him out of 1-10 grade for
the work they do, a "15" and he
knows how to get the higher grade.

It's my pleasure
to recommend him.

Thanks

Mr. Hobbs,

I wanted to let you know that you have been such a blessing to me and my family. Your name comes up often in relation to your generosity. I know that I personally look forward to our conversations about business, life, and family.

I was excited to hear that your co-worker will be with us in eternity. I also know that you had prayed for him and had carried a burden too.

As a token of my (our) appreciation of your generosity, please enjoy your night(s) out. I know that I do not need to give you anything in return for using your machine. However, the Lord has blessed us with the opportunity to do so. I remember that you told me that you enjoy a good steak so.....here is your opportunity to enjoy a great steak. In addition, might I suggest that you get the Cajun shrimp as an appetizer.

Enjoy yourself,

David and Jackie

P.S. Just so that you know, each card is valued at \$100.00 so feel free to get the BIG steak!!!!

Dear Mr. Hobbs:

I wanted to drop you a line and tell you how much we appreciate what your company has done for Community Hospital Anderson. The quality of your service greatly surpasses striping companies we have used in the past. Due to my many responsibilities and time demands, I often found it difficult to keep up with the parking lot striping maintenance. Not only was it hard to find someone to do the striping, it was often a company which could not deliver a good product. I no longer have these difficulties since we have utilized your company's services. Not only do you deliver a quality service, you deliver it in an economical and timely manner.

Again, I thank you for your outstanding service and we look forward to working with you in the future.

To Whom It May Concern:

I am a pavement maintenance contractor who has been in the business for many years. Through the years I have had the opportunity to work with many striping companies, not many of which have performed to my expectations. Accurate Striping is the most qualified and professional striping company I have dealt with. They perform to my expectations and my personal quality standards. I believe they have the ability to handle any size project. I now use Accurate Striping exclusively for my striping needs. Should you have questions or need additional information, please do not hesitate to contact me.

Dear David,

Thank you so much for pointing the
grid for our community being. It means
so much to me that in these economic
tough times companies like yours are able to
give back to the community. We were able
to raise enough money to build our
greenhouse. Construction should begin
in Aug./Sept. ☺ and classes will start
in Jan. Thank you for supporting the education
at Hapaohani. Thanks Vicki Hasegawa
